## Summary

Dedicated MCA student specializing in Full-Stack Web Development with expertise in Python (Django), PHP (Laravel), and .Net. Skilled in building secure, scalable, and user-friendly applications with strong problem-solving abilities. Proficient in web technologies like HTML, CSS, JavaScript, and Bootstrap, with experience integrating databases (MySQL, SQL Server) and APIs (Razorpay).

Motivated by a passion for innovation and continuous learning, I aim to design and develop impactful web applications that combine responsive UI, robust backend functionality, and seamless user experience to meet real-world business needs.

## Education

L.J. University	Expected 2026
Master of Computer Applications (MCA)	Ahmedabad, Gujarat
C.U. Shah College, Saurashtra University	March 2024
Bachelor of Computer Applications (BCA) (CGPA: 7.4 / 10.0)	Surendranagar, Gujarat

## Projects

College Management System   ASP.NET, SQL Server
Developed a secure login system for students, faculty, and admin with role-based access.
Implemented modules for attendance tracking, results management, and course administration.
Voice Assistant   Python, SpeechRecognition, pyttsx3
Built a speech-controlled assistant supporting voice commands for web navigation, music, and news.
Added interactive features including jokes, motivational quotes, and task automation.
Weather Detector   Python, Django, OpenWeather API
Created a real-time weather app with city-based search and live condition updates.
Designed an interactive UI for displaying temperature, conditions, and forecasts.
Chat App   Python, Django, WebSockets
Developed a real-time messaging platform supporting personal and group chat.
Implemented persistent message history and socket-based communication.

## Technical Skills

Programming Languages: Python, Java, PHP
Web Technologies: HTML, CSS, Bootstrap, JavaScript
Frameworks & Tools: Django, Laravel, MySQL, SQL Server, Git, Razorpay API
Other Skills: Responsive UI Design, Payment Gateway Integration, Database Optimization

## Spoken Languages

Gujarati, Hindi, English
